The goal of Third City Christian Church is to develop and mature the next generation to be one in which hearing and listening to God's Word is important. We encourage students in 5th grade to attend Sunday School at 9:45 and the 11:00 a.m. worship service. Students this age are old enough to begin understanding and actively participating in congregational worship. Worshiping as a family is a powerful thing, as it is a chance for young people to grow spiritually and better understand worship as a lifestyle.
